

## **APG & APG100 Obsolescence Notification**

In 2021 Edwards introduced a brand new range of Pirani gauges, the APG200 series. This new range replaces the APG100 series and the older APG Series which will be going obsolete at the end of July 2022.

Products affected are listed in the below table:

<b>APG product line</b>	<b>APG200 equivalent</b>
D02171000 APG-M-NW16 AL	D1G1011150 APG200-M-NW16
